Circular

Sub:- Permission for purchase of Metering Equipment/CT-PT units by consumers.

1. It has been observed in the past few months that shortage of metering equipment is delaying release of new HT connections, enhancement in contract demand and replacement of failed/defective metering equipment as well as as hamper the revenue of the company. The clause 8.6 of Supply Code, 2021 states that *"The licensee shall supply the meter and metering equipment, cut-out/MCB/CB and associated equipments at the time of serving new service connection or at any other time as required, on payment of applicable charges. The consumer shall also have the option to purchase the Meter, MCB or CB and associated equipment himself. The licensee shall ensure that tested and sealed meters of approved meter manufacturers are available to consumers for purchase and information of the places from where the consumer can purchase them is made available on its website"*.
2. In view of the above it has been decided that all existing and prospective HT consumers will be permitted to purchase metering equipment for early release of load if the following conditions are met:-
 - I. If the Metering Equipment of standard ratio as per existing/proposed Contract Demand is not available in any area store of the Company and
 - II. The consumer is willing to purchase the Metering Equipment.
3. Further, the metering equipments procured by the consumer shall comply with the approved GTP of MPMKVVCL, Bhopal and shall be procured only from the approved vendors of MPMKVVCL, Bhopal. The approved GTP and the list of approved vendors will be provided or made available on the Company website by the Procurement Section of the Company.
4. The concerning GM (CC/O&M) of the circle in case of HT Consumers upto 33 KV and concerning Regional CGM in case of HT consumers above 33 KV will grant permission if the conditions mentioned at point no.2 for purchase of Metering Equipment by the consumer are fulfilled. The CGM/GMs will also ensure compliance of conditions mentioned at point no.3 while permitting the consumer for purchase of MEs.
